

The background is a dark blue gradient with abstract, flowing, wavy lines in a lighter blue color. These lines create a sense of movement and depth. Overlaid on these waves are patterns of fine, parallel lines that form a grid-like structure, giving the impression of a digital or technological environment.

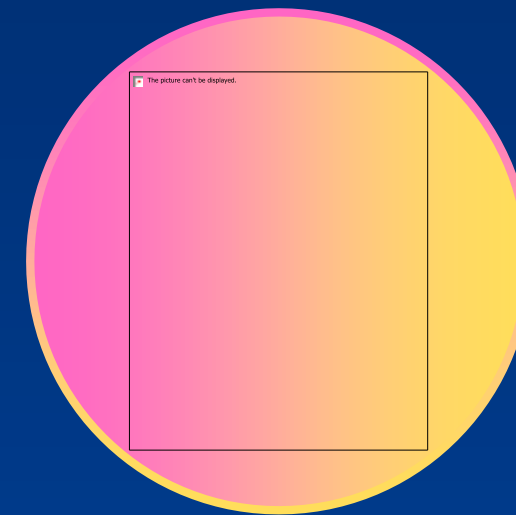

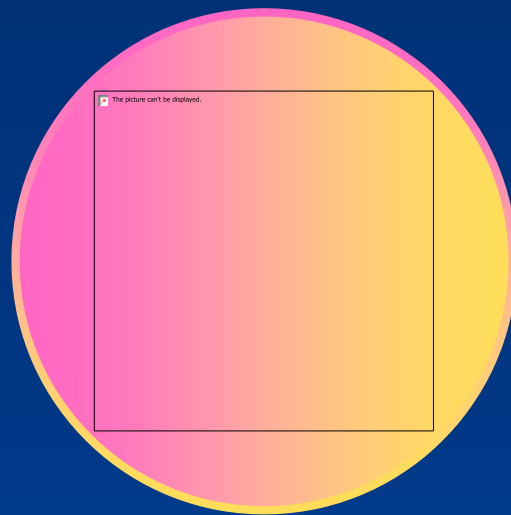

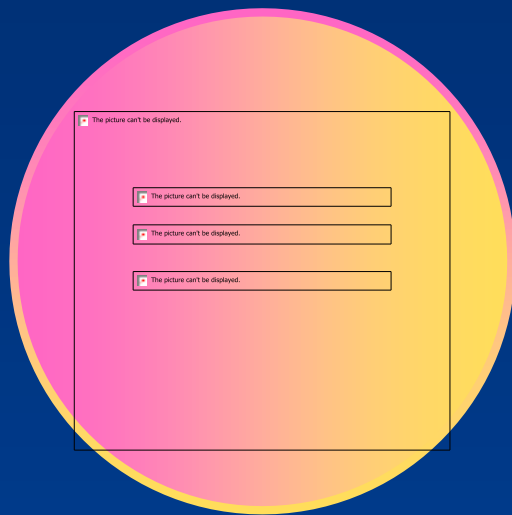

**How does culture
speak?**

**Do we speak the way
we live...**

**or live the way we
speak?**

How Does Culture Speak?

Language – Culture – Identity

L.O.R.E Team

Key Idea

- Language shapes **reality**
- Culture influences **speech**
- Meaning is **not fixed**

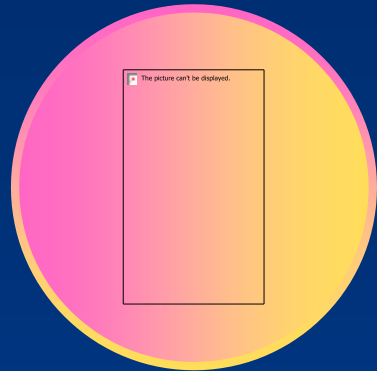

Inshallah!

The Problem

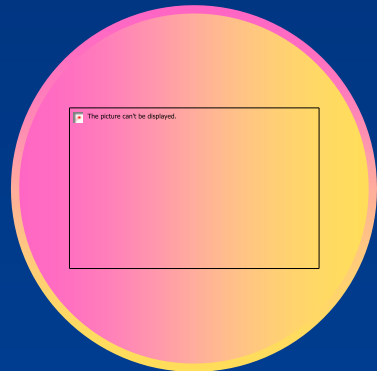

- Misunderstandings ☒
- Different cultures 🌐
- Same words ☐ same meaning

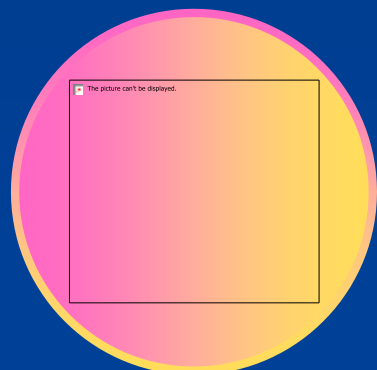

EXAMPLES...

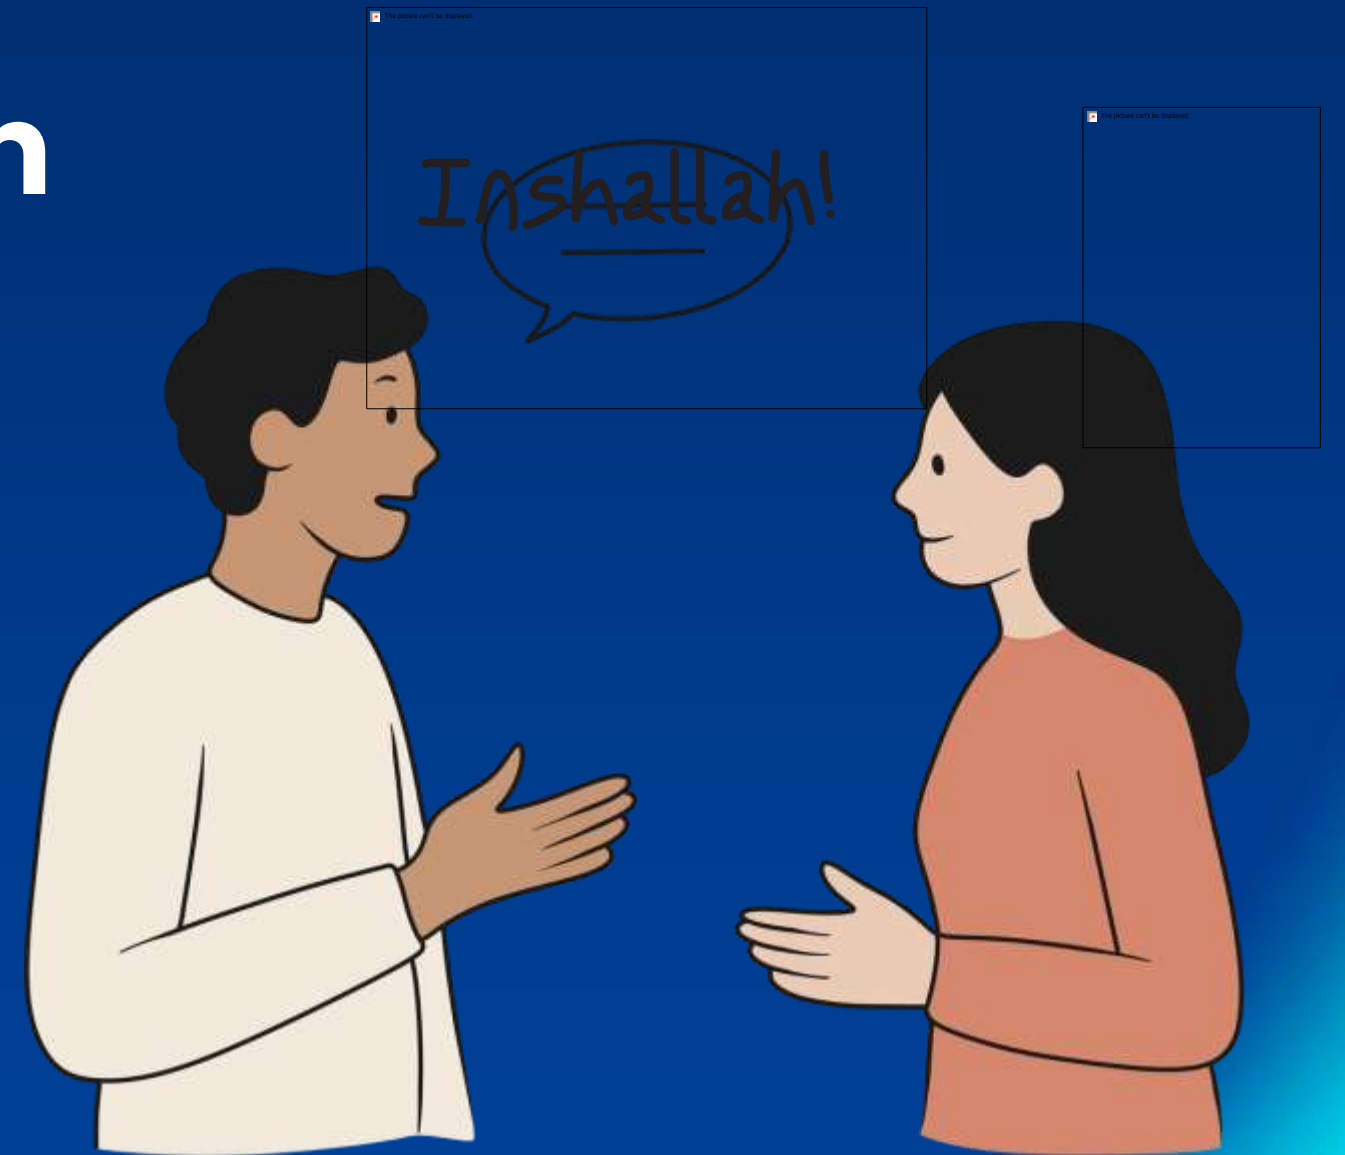

Inshallah confusion

Direct vs indirect

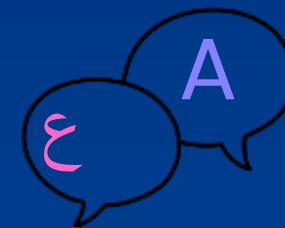

Personal space

Objectives

- **Language & Culture link**
- **Identity formation**
- **Arabic vs English**

METHODOLOGY

- Qualitative study
- Interviews
- Real-life examples

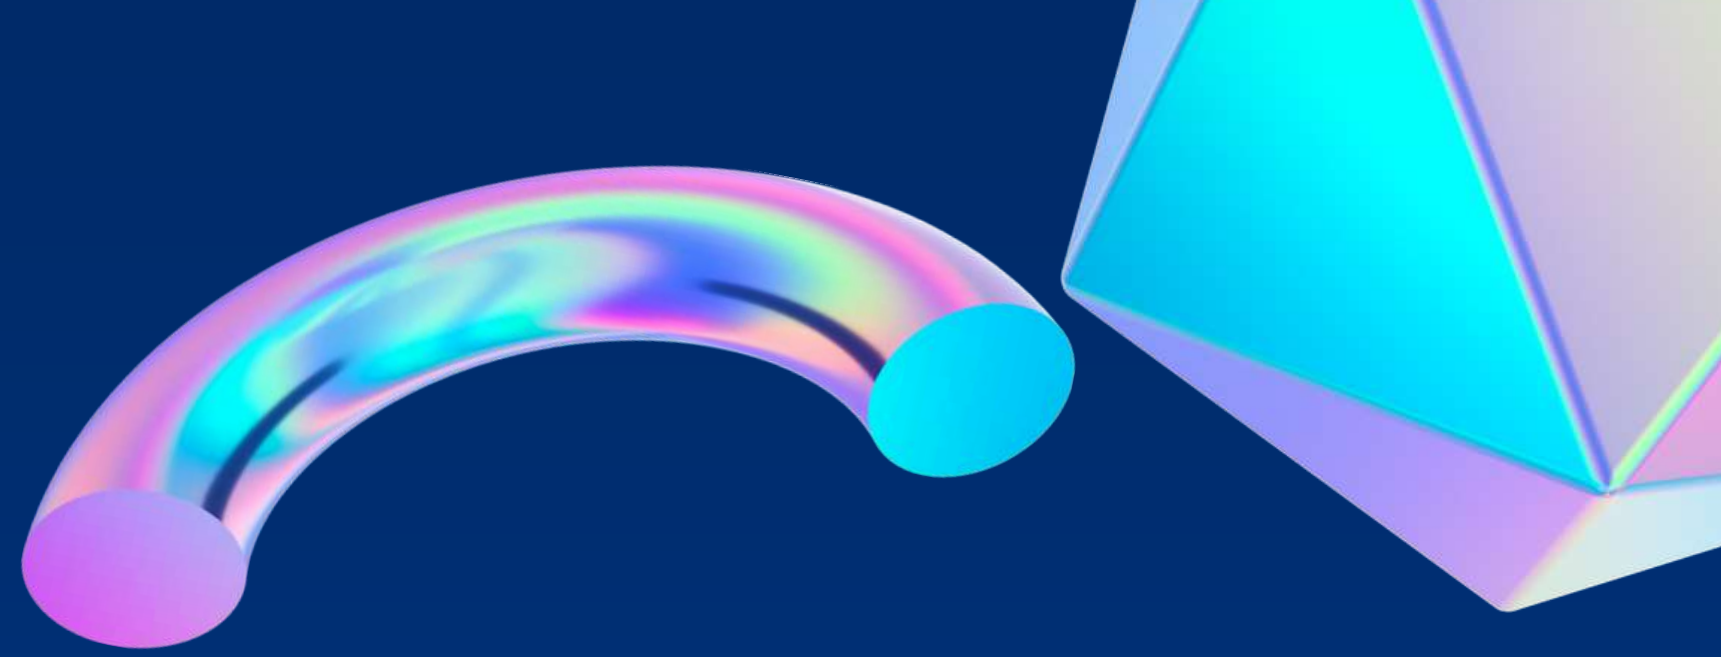

PARTICIPANTS

- 7 participants
- Different cultures
- English as lingua franca

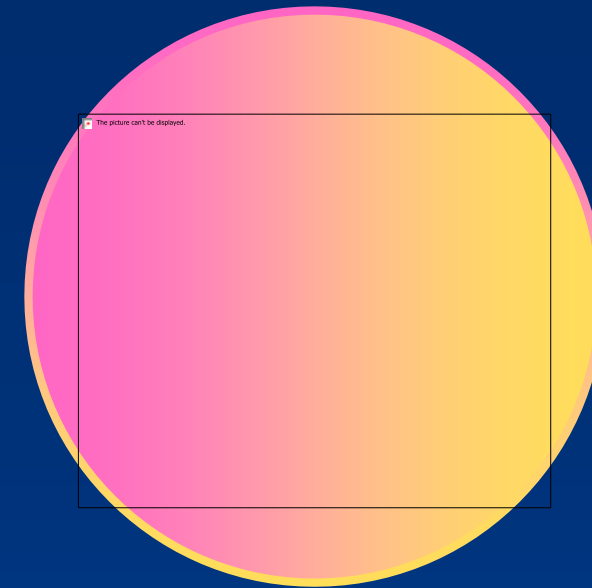

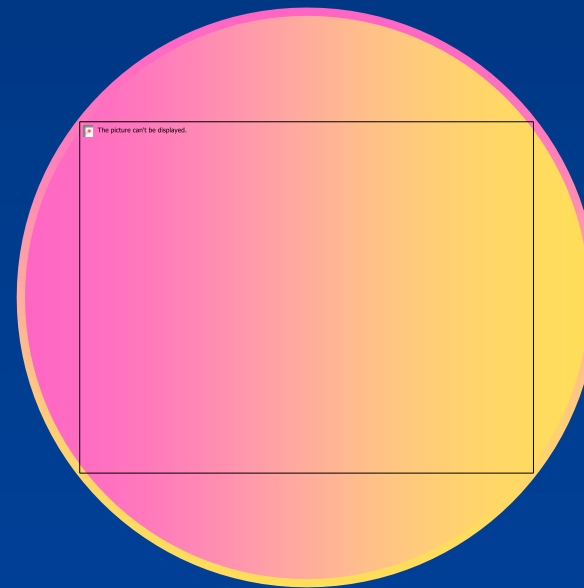

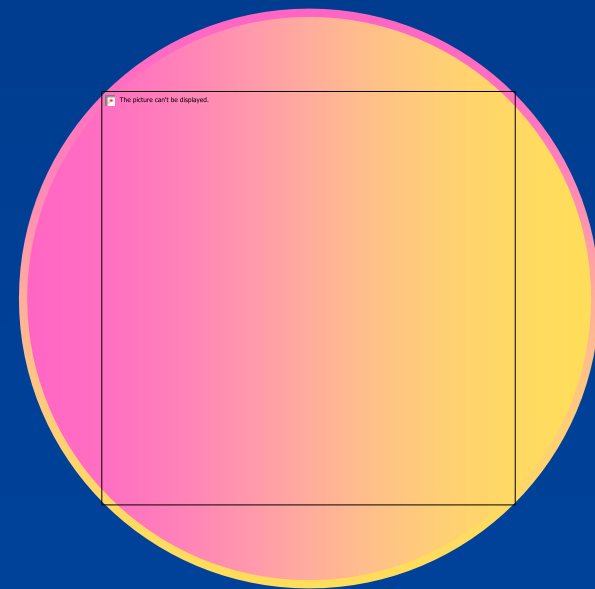

Language & Culture

- **Not just word**
- **shapes thinking**
- **Builds identity**

THEORIES

- **Language affects thinking**
- **Language is social**
- **Identity is dynamic**

ARABIC CONTEXT

- Formal **vs** informal
- Cultural depth
- Context matters

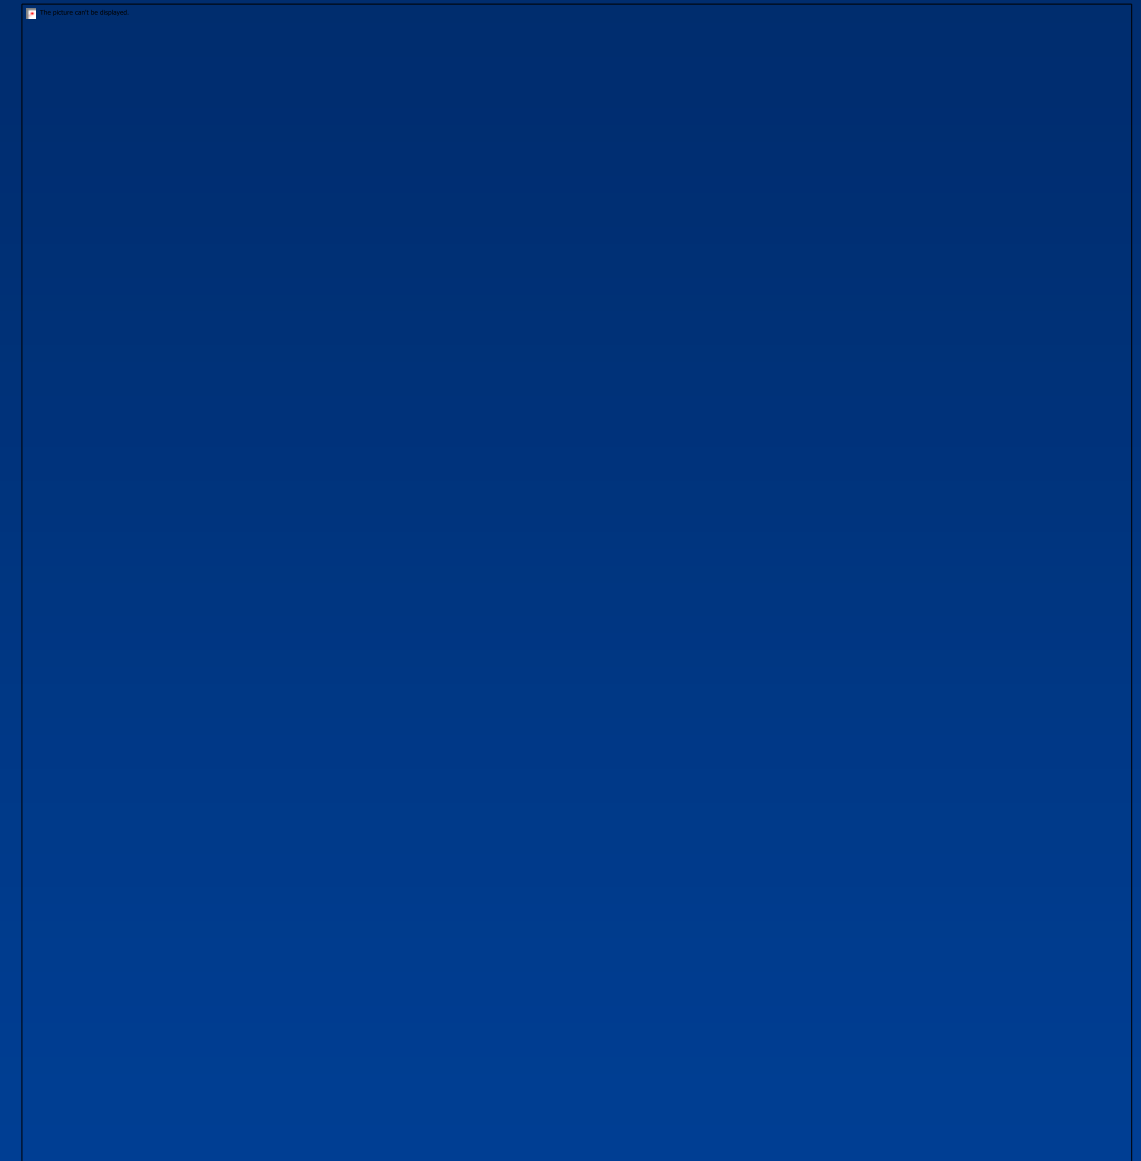

ENGLISH CONTEXT

- **Global language**
- **Flexible**
- **Widely used**

FINDINGS

- **Language is not neutral**
- **Slang shows belonging**
- **Identity changes**

LANGUAGE & IDENTITY

- Different language = different self
- Context-based identity
- Flexible identity

ARABIZI

- Hybrid language
- Youth identity
- Fast & informal

TRANSLITERATION

- Focus on **sound**
- Not translation
- Keeps **identity**

کتاب
(kitāb)

Kitaab

CODE-SWITCHING

- Mixing languages
- Natural behavior
- Identity expression

I will call you
ba'den

تمام ,

see you later!

CULTURAL DIFFERENCES

- Direct vs indirect
- **Politeness** varies
- Meaning depends on **culture**

DISCUSSION

- **Language** reflects **identity**
- **Culture** shapes **meaning**
- **Communication** is **complex**

CONCLUSION

- **Language & culture linked**
- **Identity is dynamic**
- **Meaning depends on context**
